British Journal of Hospital Medicine

# Index/volume 40

July to December 1988

Compiled by Lynda Bailey BPharm MSc

# A

Abdomen, magnetic resonance imaging of the — 1988. WL Curati and A Greco ..... 121
Abdominal aortic aneurysm, *see* Aneurysm
Abnormality, fetal cardiac, diagnosis of. LD Allan ..... 290
Abraham JS and Sykes PA. Even minor surgery can go wrong. *Corres* ..... 148
Abstracts of the Intensive Care Society ..... 400
Adenocarcinoma, invasive Paneth cell-rich, of the duodenum. *Case report*. NJM London et al ..... 222
Adolescence and childhood, incest in: long-term effects and therapy. DJ West ..... 352
Adolescents and children, the psychological trauma and management of severe burns in. E Rivlin .... 210
AIDS,
mycobacteria and. *Corres* PJV Hanson ..... 149
*see also* Zidovudine
**Allan LD.** Diagnosis of fetal cardiac abnormality ..... 290
**Allan RN**, *see* **Clements D et al**
Alment A. Costing the quality of life. *Corres* ..... 147
**Almond DJ** and **Bancewicz J.** Paraoesophageal hernia: the potential for disaster. *Case report* ..... 221
Alpar EK. The staffing of trauma units. *Corres* ..... 322
Anderson DN. Litigation and public relations in the NHS. *Corres* ..... 148
Anaemia, autoimmune haemolytic, complicating ulcerative colitis. *Case report* D Clements et al ... 72
Anaesthesia,
effects of dry inspired gases in. *Corres* MP Shelly ..... 81
for elective abdominal aortic surgery. P Young ..... 116
*Corres* WB Campbell ..... 479
Anaesthetic, spinal, which? *Editorial* WF Casey ..... 425
Anaesthetist,
relevance of histamine to the. DE Withington ..... 264
the, and paediatric catheterization. JW O'Higgins .... 58
Anastomoses, stapling v. sutures for. *Corres* J Dowse; JR McGregor ..... 80
Aneurysm, abdominal aortic, the epidemiology of. J Collin ..... 64
Angioplasty,
aortic, A-M Belli ..... 382
percutaneous laser ..... 172
Anorexia nervosa in childhood. J Treasure and P Thompson ..... 362
Antiglomerular basement membrane disease, plasma exchange in ..... 277
Aortic aneurysm, *see* Aneurysm
Aortic angioplasty. A-M Belli ..... 382
Aortic surgery, anaesthesia for elective abdominal. P Young ..... 116
*Corres* WB Campbell ..... 479
Arteritis, giant cell, presenting as unilateral foot drop. *Case report* D Sachdev et al ..... 70
Ascites in cirrhosis: pathophysiology and management. M Panos and R Williams ..... 256
Aspirin in myocardial infarction ..... 454
Atrial natriuretic factor in chronic heart failure, significance of. J McMurray and AD Struthers .. 55
Autoimmune haemolytic anaemia complicating ulcerative colitis. *Case report* D Clements et al ... 72
Autopsy, hospital, future of the. *Editorial* HM Cameron 335
Autumn book review supplement ..... 314

# B

**Bancewicz J,** *see* **Almond DJ** and —
Baillie J. Increasing the safety of gastrointestinal endoscopy. *Corres* ..... 233
**Banks I,** *see* **Savage COS et al**
**Barrington NA.** Radiology of bone and joint surgery.. 464
Basal-ganglia disorders, psychiatric complications of some. FA Whitlock ..... 391
**Bayer AJ.** Presentation and management of myocardial infarction in the elderly ..... 300
**Belli A-M.** Aortic angioplasty ..... 382
Bennett JR. Costing the quality of life. *Corres* ..... 147
Beta-blockers in myocardial infarction ..... 454
**Beynon H.** Rheumatology slides. *MRCP suppl* ..... 307
**Bhatnagar C.** Diagnosis of factitious hypoglycaemia. *Case report* ..... 140
Biliary tract, interventional radiology in the. RN Gibson ..... 374
**Bingham P,** *see* **London NJM et al**
Blepharospasm, blinking and. *Editorial* T Dening ..... 253
Blinking and blepharospasm. *Editorial* T Dening ..... 253
Bolton-Maggs P,
Meeting the need for part-time work. *Corres* ..... 479
Van Someren V and Lefford F. The need for part-time work. *Corres* ..... 232
Bone and joint surgery, radiology of. NA Barrington .... 464
Book reviews ..... 73, 142, 227, 314, 475
Booker MW. Laparoscopy in endometriosis. *Corres* ..... 147
Boswell PA, *see* Stebbing MA et al
**Bown SG.** The future of lasers in cancer therapy. *Editorial* ..... 161
Breast cancer screening: a UK showdown. *Editorial* P Skrabanek ..... 419
Britten S. Separation of mothers and babies in prison. *Corres* ..... 149
Brodie's abscess ..... 468
Bronchial tree, endoscopic applications of lasers in the. MR Hetzel ..... 180
Bronchoscopy, laser ..... 180
Broome JR. How urgent is HBO therapy in CO poisoning? *Corres* ..... 234
Brown JS. Even minor surgery can go wrong. *Corres* ..... 148
Burns, severe, in children and adolescents, the psychological trauma and management of. E Rivlin ..... 210
**Butt WP.** Interpreting the spinal X-ray:
part 1 ..... 46
part 2 ..... 124

# C

Caesarean section, *see* Trial of scar
Calcium antagonist (nifedipine) prevents nephrotoxicity. *Walkabout* ..... 78
**Cameron HM.** Future of the hospital autopsy. *Editorial* ..... 335
Campbell WB. Anaesthesia for abdominal aortic aneurysm. *Corres* ..... 479
*Campylobacter pylori* in upper gastrointestinal disease, a review of. SJ Walker and AE Murray ..... 27
*Editorial* JM Rhodes ..... 17
infection, metronidazole and. *Corres* MA Stebbing et al; SJ Walker and AE Murray ..... 405
Cancer, *see* Breast cancer
Cancer therapy, the future of lasers in. *Editorial* SG Bown ..... 161
**Capildeo R,** *see* **Sachdev D et al**
Carbon monoxide, *see* CO
Cardiac abnormality, fetal, diagnosis of. LD Allan ..... 290
Cardiovascular disease, laser therapy in the treatment of. JM Isner et al ..... 172
**Carter C,** *see* **Clements D et al**
*Case reports:*
Autoimmune haemolytic anaemia complicating ulcerative colitis. D Clements et al ..... 72
Diagnosis of factitious hypoglycaemia. C Bhatnagar . 140
Giant cell arteritis presenting as unilateral foot drop. D Sachdev et al ..... 70
Invasive Paneth-cell rich adenocarcinoma of the duodenum. NJM London et al ..... 222
Paraoesophageal hernia: the potential for disaster. DJ Almond and J Bancewicz ..... 221
**Casey WF.** Which spinal anaesthetic? *Editorial* ..... 425
Catecholamines and plasma potassium. M Smith ..... 294
Catheterization, paediatric, the anaesthetist and. JW O'Higgins ..... 58
Cavernosal injection for erectile dysfunction ..... 432
Cavernosography ..... 442
CEPOD unfair to surgeons. *Corres* PF Schofield ..... 478
**Chapel M.** Primary immune deficiency and replacement therapy. *Editorial* ..... 103
**Chattopadhyay B.** Prevention of congenital syphilis .. 68
Child sexual abuse, suspected, description and recording of physical signs in. H Steiner and M Taylor ..... 346
Childhood,
anorexia nervosa in. J Treasure and P Thompson ..... 362
and adolescence, incest in: long-term effects and therapy. DJ West ..... 352
Children and adolescents, the psychological trauma and management of severe burns in. E Rivlin .... 210
Chi-square ..... 396
Chiswick D. Do psychopathic offenders respond to treatment? *Corres* ..... 81
Cirrhosis, ascites in: pathophysiology and management. M Panos and R Williams ..... 256
Clarke CJ, *see* Kinsella J and —
**Clegg F.** Introduction to statistics III. *FFARCS suppl*.. 396
**Clements D, Carter C** and **Allan RN.** Autoimmune haemolytic anaemia complicating ulcerative colitis. *Case report* ..... 72
Clements RV. Explanations may avoid litigation. *Corres* ..... 406
Clinical research in the elderly, ethical aspects of. CG Swift ..... 370
*Clinicians' guide to antibiotics*
Tetracycline. AP Pallett and EG Smyth ..... 385
CO poisoning, how important is HBO therapy in? *Corres* DM Hynes; JR Broome ..... 234
**Coates CJ,** *see* **Gwyther SJ et al**
Colitis, *see* Ulcerative colitis
**Colles MJ.** What is a laser and how is it applied for therapy? ..... 111
**Collin J.** The epidemiology of abdominal aortic aneurysm ..... 64
**Collins C,** *see* **Taylor BL** and —
Community care, mental handicap and. *Editorial* K Day ..... 249
Compulsive shoplifting, causes of. *Editorial* GH Gudjonsson ..... 169
*Conflict:*
Tilting at windmills. RG Pringle ..... 79
Towards achieving a balance for women doctors. F Lefford ..... 223
Cooke D. Indications for urgent laparotomy in a young child. *Corres* ..... 406
Correlation ..... 396
Correspondence ..... 80, 147, 232, 322, 405, 478
**Cox IJ.** Nuclear magnetic resonance spectroscopy. *Editorial* ..... 165
Cox J. Optic neuropathy and multiple myeloma. *Corres* 322
**Craig JOMC.** The filmless department. *Editorial* ..... 97
**Crozier IG** and **Ward DE.** Automatic implantable defibrillators ..... 136
Cryoglobulinaemia ..... 274
**Curati WL** and **Greco A.** Magnetic resonance imaging of the abdomen — 1988 ..... 121
Cyclosporin ..... 78

# D

D'A Fearn CB. The case for trauma units. *Corres* ..... 478
**Davies JA** and **Spencer JAD.** Trial of scar ..... 379
**Day K.** Mental handicap and the community. *Editorial* 249
Defibrillators, automatic implantable. IG Crozier and DE Ward ..... 136
